ROLE OF ELECTION OFFICIALS

THE ROLE OF ELECTION OFFICIALS:

UNDERSTANDING THE IMPORTANCE OF OBSERVERS

Below is information that outlines how you can ensure that appointed observers serve in a manner consistent with Ohio law, while maintaining a voting experience free from disruption or hindrance for the voters of Ohio.

All observers must be qualified electors in the State of Ohio and must be duly appointed pursuant to statute.

AS AN ELECTION OFFICIAL, YOUR DUTIES INCLUDE:

- I. Ensuring that you verify that each appointed observer has been duly appointed. Observers at your in-person absentee voting location, board of elections office prior to the official canvass, and Election Day observers at precincts must present a valid Certificate of Appointment before beginning to observe. For all other observers, you must verify that the person appearing has been duly appointed and ensure that the observer is observing at the location and time for which he/she is duly appointed. This is particularly important at a multiple precinct polling location and observers serving multiple days;
- II. Ensuring that all appointed observers take the required oath, which must be administered prior to beginning their observation. However, the oath does not need to be repeated on subsequent days when an observer returns – he or she only needs to be reminded of the oath taken and that he or she is still under oath;
- III. Ensuring that appointed observers are permitted to move freely within a polling place to the extent that they do not disrupt or interfere with the election, take any action to intimidate, persuade, or delay voters or elections official, or violate the secrecy of a voter's ballot or privacy;
- IV. Ensuring there is no campaigning inside a polling location, or outside a polling location within the 100 foot area marked by U.S. flags. This includes the wearing of campaign paraphernalia, and name badges or other labels identifying a political party, candidate, group of candidates, or ballot issue;
- V. Prohibiting an observer from handling any election materials;
- VI. Prohibiting an appointed observer from engaging voters in conversation. However, an observer is permitted to be polite and exchange greetings;
- VII. Preventing an appointed observer from interfering with, impeding or disrupting the election, or intimidating a voter or election official, or preventing a voter from casting his or her ballot;
- VIII. Prohibiting an appointed observer from violating the secrecy of the ballot or privacy of a voter;
- IX. Prohibiting any uniformed peace officer, state highway patrol trooper, member of a fire department, armed service member, organized militia member or person wearing any other uniform from serving as an observer;
- X. Prohibiting any person carrying a firearm or deadly weapon from serving as an observer;
- XI. Contacting the presiding judge, director, or deputy director if an observer is engaging in prohibited activity.

AS AN ELECTION OFFICIAL, YOU MAY NOT:

- I. Eject an appointed observer from a polling location without good cause (you should consult the Director or Deputy Director prior to acting);
- II. Bar an appointed observer from entering a polling location without good cause;

VOTING PROCEDURES

- A. Voter Checks in at the Electronic Poll Book Table, shows ID and receives a **Voter Print Ticket (New)**
- B. Voter Proceeds to Correct Precinct Table.
- C. Check **Voter Print Ticket** to make sure voter is in correct precinct.
Place in Voter Print Ticket Box.
- D. Highlight the name of the voter in the Red Poll Book- print the stub number in the space provided.
(If the name does not appear in the poll book list - they are in the wrong precinct - check Voter ticket again and send to correct table)
- E.
 - 1. Tear off ballot stub **A** - place it in the stub envelope taped to the side of the table.
(Leave stub B on the ballot pad).
 - 2. Place the Ballot in the Ballot Sleeve.
 - 3. Give the Voter their ballot (Marked with the Precinct they are Voting In)
 - 4. Instruct the Voter to Use the Pen Provided to Blacken The Oval. 
 - 5. Direct the Voter to the Voting Booths.
 - 6. After Voting - Have the Voter place their voted ballot in **ANY** DS200 Scanner.
 - 7. Remind voter to return Ballot Sleeve to you
 - 8. Give the Voter an "I Voted Today Sticker"
- E. **FOLLOW THE STEPS LISTED ABOVE FOR EACH VOTER.**
- F. **Three Ballot Rule:** Any time a voter uses a paper ballot they have the option of requesting two additional ballots if a mistake is made on their original. In the New Poll Book simply place a line through Ballot One Box stub number and enter the new stub number in Box 2. Follow the same procedures for a third ballot. Make sure you write void on the spoiled ballot and place it in the spoiled ballot envelope.
- G. A voter who is registered at another Address in your precinct and has moved **within your precinct** can vote after they fill out a **Change of Address Card** found In the back of the forms book. If you are unsure, call **the board (330-783-2474)** to verify the precinct before the person votes.
- H. If a voter has made a **name change** but **still resides within your precinct** they can vote after filling out a **Notice of Change of Name Form** found in the forms book.
